

Welcome to our 5 Piece Collection

The Shaker door continues to remain a firm favourite, with it's pared back style and perfectly proportioned frame. It's renowned for being both a timeless and versatile design, hence we've chosen to model our 5 Piece Collection on Shaker principles - **simplicity**, **utility** and **symmetry**.

5 Piece doors provide you with a traditional, handmade aesthetic, whilst offering the flexibility of design through styles and finishes.

Within our 5 Piece Collection we offer four beautifully designed Shaker style doors, each unique in their own way.

Whether you prefer a classic or contemporary style, each range is a blank canvas for you to add your own personal taste and transform your space with our 5 Piece cabinet frontal offering.
